

IN THE SPECIFICATION:

The Examiner required the Applicant to insert the appropriate section headings within the specification, and to reformat the abstract of the disclosure. Applicant is filing herewith a substitute specification in which no new matter has been entered, but by which the Applicant has added section headings and deleted one reference to the preamble of claim 1 found on page 1, line 26. In addition, Applicant is tendering herewith a reformatted abstract to meet the Examiner's stated requirements therefore.
